Title : RANGING SYSTEMS

PETITION UNDER 37 CFR 1.181(a)
TO WITHDRAW HOLDING OF ABANDONMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Attention: Technology Center 3600
Office of the Director

Sir:

By way of a Notice of Abandonment dated January 23, 2007 (copy attached as Exhibit I), the undersigned was informed that this application is considered abandoned. Following telephone inquiries, a copy of a Notice of Allowance (attached as Exhibit II) was provided to the undersigned by facsimile. As the Notice of Allowance was mailed to the incorrect address, withdrawal of the Notice of Abandonment and re-mailing of the Notice of Allowance are requested.

Pursuant to a transfer in responsibility for this application, a Revocation of Previous Power of Attorney and Appointment of New Attorneys document was filed in connection with this application on June 17, 2004. Copies of this document and of a postcard acknowledging receipt thereof by the U.S. Patent and Trademark Office on June 17, 2004, are attached as Exhibit III. Although the Revocation of Previous Power of Attorney and Appointment of New Attorneys document instructs that all future correspondence relating to this application

should be sent to a Crowell & Moring LLP post office address, the Notice of Allowance was sent to the old address of record.

Pursuant to guidelines set forth in MPEP 711.03(c), the undersigned is also attaching as Exhibit IV a copy of an "Urgent Global Docket," showing a list of all items due on October 12, 2006, and on which this application would have been docketed for issue fee payment had the Notice of Allowance been received. The Notice of Allowance is also not present in the Crowell & Moring LLP application file.

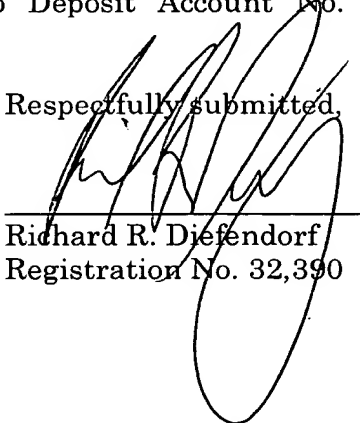

It is respectfully submitted that the foregoing discussion and the attached exhibits demonstrate that the Notice of Allowance was not received by Crowell & Moring LLP, that the Notice of Abandonment should be withdrawn, and that the Notice of Allowance should be re-mailed to the proper address. If there are any questions regarding this petition or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

This paper should be considered as a request to charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #102343.50879US).
